THINGS DOIN' & BREWIN' About Civic Center

By DICK HENDERSON

Voters to Decide:
Announcement in daily press of a proposal by S. D. Taxpayers' Association that five elective officials be appointed by the board of supervisors instead of present elective process will probably be on the ballot at the next county election. This would mean, should the voters favor the change, that the five elected officials as at present being voted for separately, the supervisors would appoint the heads of the various departments. The five offices are tax collector, assessor, treasurer, recorder, and county clerk. Power to dismiss any department head without a hearing would leave the supervisors in supreme charge of county government.

County Recorder Roger Howe, who has served the taxpayers satisfactorily for years, when seen Thursday and asked what he thought about the proposed change, said he was elected by the people and was responsible to them only. Didn't have any trouble with the supervisors, and had adhered to the laws of the state in his actions. Seemed not to be enthusiastic about any change.

Wilbur W. Easton, tax collector, with 25 years' service in that department prior to his election to the office at last election, said he doubted the advisability of appointment instead of election. With the present setup, the voters have a choice in selecting candidates, while if the change is inaugurated, just one vote, that of the supervisor of the district he lives in, would be theirs. The lack of a defense hearing, as suggested, would be hard to overcome. In other words, too much power granted to one body might prove undesirable.

(This proposal will have to be considered by the voters pretty soon. Just thought y'all would be interested.—D. H.)

The Supervisors:
The board considered more than 100 items on the agenda at Tuesday's meet.

Bank of America's bid to purchase \$245,000 bonds of Fallbrook Union High School District, brought the award. It contained the lowest interest rate, 3.1822%.

There were four bids submitted. Lemon Grove got a mention, when the continued hearing on Resolution of Intention to vacate and abandon a portion of Woodrow Avenue as shown on Map of

Sub. 5 of Lot 12 Rho. Ex-Mission, Lemon Grove, requested by Larwood Co.

The planning commission recommended that the resolution vacating said portion of Woodrow Avenue be recorded concurrently with the recording of the final map of Larwood Park Subdivision.

Welfare Matters:

Board to determine the liability of responsible relatives of 31 recipients of Old Age Security.

Two letters from department of public welfare recommending denial of petitions for freedom from responsibility for the support of mothers.

List of cases for which department recommends that cash be extended for month of March, 768 cases, \$44,430.96.

Total of 13 items on agenda re welfare.

The board ordered an ordinance prepared which would forbid the use of air rifles in populated areas of the county. The ordinance would amend present laws regulating use of firearms near homes in built-up areas. A deputy county counsel said present laws do not permit use of firearms or bows and arrows, but do not apply to air guns. Supervisor Austin said air guns were used in World War II by the German army "and they proved very effective in killing and maiming soldiers." Austin made the motion to have the county counsel's office prepare an ordinance forbidding airguns.

Four dance permits were approved, one to Henry J. Goldy, 7828 Broadway, Lemon Grove.

The board filed a notice from a group of residents of their intention to circulate petitions for the incorporation of Lemon Grove into a sixth class city.

Postage requisitions allowed: Purchasing department, \$1200; department of public welfare, metered mail, \$1250; same, Oceanside office, \$40; same, Escondido office, \$30.

Assignment to the Credit Bureau of San Diego, Inc., for collection, 21 Edgemore Farm accounts, totaling \$23,005.15.—D. H.

U. S. National Bank Moves to Larger Quarters in Heart of Lemon Grove

The Lemon Grove office of the United States National Bank will move March 13 from its present location at 7904 Broadway to larger quarters at 7859 Broadway, according to an announcement made this week by C. Arnholt Smith Jr., manager of the Lemon Grove office.

The local office of the United States National Bank has been serving the Lemon Grove-Spring Valley community since June of 1955. The move to the new larger quarters has been necessitated by the tremendous increase in banking facilities being handled by the Lemon Grove office of the bank.

Added facilities at the new 7859 Broadway office include increased vault space, safety deposit boxes, night depository, ample free parking adjacent to the bank, as well as larger floor space, more tellers' windows and customer service facilities.

The enlargement of the Lemon Grove office of United States National is part of an expansion program instigated by the United States National Bank in the Southern California area. Other

GROVE POOL RICHER BY \$500

A check for \$548.50 for the Lemon Grove swimming pool is given to Mrs. Carl Piepenbrink Jr., president of the Swimming Pool Association by Mrs. Billy Castle, president of the Lemon Grove Junior Woman's Club, while Mrs. E. E. Johnson, ways and means chairman for the Juniors, looks on.

Money was raised from a fashion show last fall.

For the past two years the Lemon Grove Juniors have chosen the Lemon Grove Swimming Pool as their "Build a Better Community Project." The members have presented two fashion shows, "Lilac Time" and "Holiday Magic" to raise money so that the children in Lemon Grove would be a little nearer to their dream of a swimming pool.

To this date the Juniors have presented the sum of \$2548.50 to the Lemon Grove Community Swimming Pool Association. This was not accomplished by the Juniors alone; it was made possible by their Senior club, the merchants of Lemon Grove, the Walker Scott Company and many

many people too numerous. The Lemon Grove Community Swimming Pool Association was formed in 1954 and was made up of representatives from the various clubs and organizations in the Lemon Grove area. Mrs. Carl Piepenbrink Jr. was the Junior representative for two years and due to her interest, service and untiring efforts she was elected president of the association in October of 1955.

The Juniors are proud to have one of their members serving as president and shall continue their support of the project in the interest of their club, their community and their children.

School Board Will Discuss Use of Abandoned Buildings For Lunch Room Purposes

Consideration of submission of application for state funds for school construction here will be on the agenda next Monday evening when the Lemon Grove School Board meets at the Education Center at 7:30. Related discussion will deal with the location of the next building project, the use of the abandoned buildings condemned by the state for classroom use, possible conversion of some facilities to a cafeteria for the Golden Avenue School, and the problem of maintenance shop location.

The Governor's Conference on Children and Youth, scheduled for April 4 in Sacramento, will be announced. Other items include consideration of Lemon Grove participation in the city-county school camp program at Palomar and Cuyamaca and a report on proposed annexations of parcels of land of this school district to the city of San Diego.

All board meetings are open to the public, and interested citizens here are invited to attend this and other meetings.

Citizen's Committee Asks Survey On Junior College

Citizens Advisory Committee of Grossmont High School District made the following recommendations at their monthly meeting this week:

Recommended that a board of trustees of the Grossmont District have the State Board of Education conduct a survey as to the feasibility of a junior college in this district.

Also instituted a study of teachers' salaries. The final report will be given at the April meeting.

Recommended that the board of trustees retain the plan for a swimming pool for the San Miguel High School situated in the Lemon Grove-Spring Valley area.

East County Fireworks Spectacle Seen By S. V. Chamber President

Men's Club Friday heard William Doughman, president of the Spring Valley Chamber of Commerce, tell of the tie that binds the communities of Lemon Grove and Spring Valley together.

"Spring Valley folk look to Lemon Grove for shopping," he said. "Lemon Grove businessmen should lend assistance to the residents of Spring Valley in the solution of any of the problems that come up. This has not always been done," he said.

Doughman also suggested a gigantic fireworks display atop Mt. Helix as an area project on July 4. His chamber has already written letters to similar organizations in surrounding communities, he said. The spectacle would be visible from every point of the east county, he said.

This week's program will be presented by Harry Griffen on the importance of timing of local projects. The program will be held at Michael's at 12 noon on Friday. All men interested in public affairs are invited to come.

Hospital Women Call Two Meetings

A meeting of the Grossmont Hospital Women's Auxiliary is scheduled for Monday at the education center, 8025 Lincoln Avenue at 1:30. Mrs. W. K. Phillips is chairman.

An urgent meeting for all board members has been called for Friday at 9:30 a.m. in the hospital cafeteria for the purpose of discussing their third annual county fair. Members who can not be present are requested to send substitutes.

Shoe Repair Operator To Expand

Joe Mercurio, who operates a shoe repair service at 3466 Main, is expanding. His second location will be 7876 Broadway. Both shops will have complete shoe service including shining, dyeing, repairing and cleaning.

New Officers Named For Youth Center

A complete new slate of officers were named to handle the affairs of the Lemon Grove Youth Center at a meeting last week.

Nominations and election followed a demand by county officials that a "working and representative" corps of officers take the responsibility for the finances and upkeep of the operation. The center presently has \$3 in its fund and owes more than \$150 to the county for utility bills. The county has indicated they will maintain a closer supervision of the operation which will include a fee to be charged to every group making use of the building and facilities. This will include Scout groups.

New officers are: Tom Warburton, principal of Grossmont High School, and Rev. Bruno Puschel of the Congregational Church, co-chairmen; Gladys Kranch, secretary of the Grove Chamber of Commerce, secretary; Paul Reynolds, business manager of L. G. Elementary Schools, treasurer; Frank Armstrong, lawyer, legal advisor. Wiley Cornelius, a Grove teacher, and Raymond Boggs, an engineer at Naval Repair Base, are on the board of directors.

The Youth Control Board is actually made up of one specific representative of each club, group and organization of Lemon Grove. Poor attendance of these members has contributed to the request for new officers, it was said.

A record turnout attended the election meeting and V. J. Dorman, local attorney who helped bring the center into being, acted as moderator. He gave a well delivered run-down on the history and makeup of the project.

After the election, Frank Armstrong took the chair in the absence of the elected officers and set into motion plans for keeping control of the Youth Center in local hands and asking the county to make available funds earmarked for county recreational use for use in the center.

Armstrong pointed out that Civil Defense, county building and county nurses now use much of the building which was built by Grove volunteer labor on contributed land.

"It is possible that these functions could pay the entire expense of operating the building," Armstrong said.

Seventeen New Members for Woman's Club

New members of the Lemon Grove Woman's Club were honored at a party at the clubhouse Friday, February 24. Mrs. Walter Shimp, membership chairman, was in charge.

Left to right in picture are Mmes. Norman Spain, Wellington Stewart, Faye Whitehead, Edith Baxter, Roe Rogers, Elnora Reed, William Stark, G. A. Turner, E. H. Anderson, Phillip V. Burke, and Jane Duffner. New members unable to attend included Mmes. Robert Gailey, George Kraft, Ruth Eddy, Charles Perry, John Foster, and H. H. Rhodes.

The clubhouse was beautifully decorated with spring bouquets of stock, sweet peas, Dutch iris, and jonquils. Mrs. Charles Furrer was chairman of the decorating committee.

Refreshments were served by hostesses Mrs. Ralph Richardson, chairman, and Mmes. Charles Mitchell, J. H. Newton, and Lee Thompson, assisting.

The Dimmer View

By MAX GOODWIN

Each year when the advertising people of the country get all hepped up on advertising and tell how wonderful their product is, I cringe a little. Advertising, they say, does wondrous things for the user, and they make a point around a series of programs which they dish up as Advertising Recognition Week. This event was marked a couple of weeks back but I didn't take part in it because at the time I was thinking of several things advertising is not, and my blood pressure got too high to view the event rationally.

I'll buy part of what these people say. Advertising does some very good things. I remember once during a press strike in Cincinnati when only skeletons of newspapers were distributed. As I recall, the papers had four pages, all news. Later, readers complained how unsatisfactory newspapers without advertising were. Advertising, it seemed, held their attention about as much as news stories.

Recently, Detroit underwent a newspaper strike and none of the regular dailies were published for several weeks. Detroit shoppers and salespeople got into hassles because the shopper was unsure of what she wanted without the guidance of newspaper advertising. It took four times as long to consummate each sale, it was proven, because of the uncertainty in the mind of the shopper. The newspapers, it seems, also performs as saleslady.

It has been shown that advertising produced the mass market. Auto and cigarettes, as example, would have been beyond the reach of the average family were it not for mass sales resulting from mass media advertising. . . if you want to call \$3,500 for an auto and 25c for cigarettes a sop to plebeian needs.

We take greater pride in the advertising we turn away at this newspaper. There is hardly a week that we do not reject an ad (often accompanied by cash) from some out-of-town advertiser who wants "Women; to Address Envelopes at Home" or "Men, a Small Investment will bring a Fortune from Coin Operated Machines." Most anybody can figure these rackets out. In the first instance the lady must buy a course of study ranging from \$5 to \$50. In the second instance the man puts up \$500 for several peanut machines, then has to find a location for them. He can hope to take in only a few dollars a week but his time alone is worth more than he could possibly obtain from these machines, but he's hooked with them and has to keep plugging away. The firm makes a profit on the sale of the vending machine.

We also turn down appliance advertising from discount houses downtown. We are not yet convinced that slight reduction amounts to as much as it costs the individual to uncrate, set up, and put in workable condition the thing they've bought. Local dealers perform these services, plus a guarantee that is backed by their integrity. In our family alone, two major new appliances failed within the past two years. These were put into workable shape without additional cost by local dealers from whom we bought them. Discount houses do not pretend to offer service.

We also reject price advertising from downtown stores. This does not make people who trot downtown to shop happy but it is a mighty satisfying feeling to those of us who look to local business houses to meet our needs. We have found prices here comparable with any community, that the neighborliness of local business people permits easy and ready exchange, if need be, and the most important element, their reputation, as dish up on every sale. That is your assurance of satisfaction. For those who shop outside their own community it seems a fair comparison with those who buy \$5 tickets on race horses but squawk when his wife buys a 15c can of food for his pet dog.

We regularly turn down sewing machine and electric sweeper advertising offering such things as rebuilt modern machines for \$9.95. We know there isn't any such animal but many readers don't. They may answer the ad and find they've bought a \$300 machine, sometimes of questionable quality, after succumbing to the high pressure of an oily salesman.

These are only a few of the ads we reject. There are cults which would buy space and collect your dollars, patent medicines which suggest a cure for everything, romance societies that may join male readers with a young wealthy farm widow, whose husband got caught in the threshing machine right after the honeymoon or conversely a Texas oil tycoon who can't live more than three months more, so hurry, ladies! We know that such material wouldn't catch you but it might hook your neighbor.

Of such things advertising is made were it not for watchful editors from my own and other newspapers culling out the unwanted stuff. We do not mean to imply good advertising is not desirable and educational, but not all of it is good.

Lomita Village Man Wins \$500 In Lunch Hour

William Ballard, 335 Sunnyside St., Lomita Village, while on his lunch hour Wednesday, visited a San Diego store during the Holiday Drawing, heard his name called and was handed a check for \$500.

Ballard, the first male winner in the contest sponsored by the San Diego Down Town Association, received the consolation prize, as the first name drawn did not respond.

Ballard has been a clerk behind the cigar counter of a downtown drug store for two years. He and his wife Geraldine have three daughters: Margaret 5, Diane 2 and Susan, eight months.

Ballard said he had never won anything before, and that he had plenty of use for the money. He has just bought a new car and has been making payments on his home for the past year.

Geraldine had been shopping in the downtown area only 15 minutes before her husband's name was drawn, but she didn't learn of her hubby's luck 'til he phoned her.

We suggest to Mr. Ballard that Lemon Grove has two first-class banks, if he wants a safe place to put the \$500, and several first class stores, in case his family needs anything in their various lines.—D. H.

SARI WADE WINS BIKE

Proof that reading books and watching TV pays off was brought out by nine year old Sari Wade, daughter of Mr. and Mrs. Robert Wade of 10109 Del Rio Road, Homelands, recently.

Sari, a student of the Casa de Oro School, is quite a reader of history books and a fan of the Johnny Jet show on Channel 6.

She sent a letter to the Johnny Jet show and it was one of three drawn from the big barrel. This was during the "Watch the Birdie" program which comes on each Wednesday at 6:30 p.m.

Called on the telephone, her conversation with Johnny Jet was broadcast. Johnny asked her the all important question, and fortunately Sari remembered the answer from a book she had borrowed from the Casa de Oro PTA library. The question was in three parts: "Who was the first hostess in the White House, Mary Lincoln, Martha Washington or Dolly Madison?"

It took only a second for Sari to answer "Dolly Madison," and she was told that she was now the owner of a new bicycle. Two other prizes were given on the same show, a mechanical car and two blouses.

Sari is a fourth grade pupil, her teacher being Jim Inskeep.

One thing a person should always let go in one ear and out the other is gossip.

LOCAL EPISCOPALIANS TO TAKE PART IN YOUTH CONVOCATION

Sunday, the Youth Convocational meeting will be held at St. Paul's Church, San Diego. St. Philip's of Lemon Grove will be well represented. Rev. Wm. Licht, diocesan director, will preach at the meeting, and there will be a business meeting and educational film.

The guest speaker at the Wednesday Lenten Service on March 14 will be Rev. George Prendergast of St. Paul's, San Diego. These services begin at 7:30 and are most inspiring.

It is not too soon to be thinking of summer camp at Camp Stevens in Julian. The camp is situated on 40 acres of pine covered hills. A fine swimming pool has been built, and all who attend report an experience never to be forgotten.

'All Star' Cast to Go on Boards For Helix PTA Show Wednesday

Helix High PTA will present their "Gay Nineties" Variety Show in the Junior High School Auditorium Wednesday evening, March 14 at 7:45.

Mrs. Billie Burke, producer, has put together a show replete with can-can dancers, Florida girls, a barbershop quartette, a tumbling act, appropriate readings and vocal numbers, and three soul shaking melodramas. There will be between-the-acts music by "Mike (Spinazola) and his Hungry Four" in keeping with the "Gay Nineties" theme.

According to Mrs. Burke, Dorothy Bonsignore, noted theatrical personality, has written three stirring melodramas for the occasion. "The Doors Swing in" is directed by Roland Hawthorth. The setting is the Silver Bullet Saloon and features Fran Beasley as the proprietress, Charles Higby as the handsome, educated rancher, Roberta Thomas the beautiful daughter, Max Goodwin as the bar tender, Lewis Freed as the gambler, Dick Cunningham as the Chinese pigeon boy and John Swendeman as the weather-beaten old prospector. Life is stark and problems become hilarious in the Silver Bullet Saloon.

"Zeke from Punkin Creek" presents such well known Helix faculty personalities as Craig Warner, Bob Tolin, Helen Stinnett and Dan Tarr. "Little Nell," the third drama depicting frontier life in the era of gold, brings forth another Helix faculty cast composed of Pat Zevin, Clarence Jasmagy, Ross Wallis and Gordon Braun.

Lawrence Christensen of the music department will deliver a lecture entitled "The Virtues of Temperance." Kathleen Sperry will sing the old heart throb favorite "Only a Bird in a Gilded Cage," and Nina Cornelius will read "The Misery of Millie."

Mrs. Burke states that the "Gay Nineties" variety show is the Helix PTA budget balancing event of the year. Tickets may be obtained from any of the executive board members. Prices are 50c for students and 75c for adults.

Mission to Be Held At St. John of the Cross Church

A Mission is to be given at St. John of the Cross Church starting Sunday, March 11. It was announced this week by Rt. Rev. Msgr. John W. McDonagh.

Two priests widely known for their theological work will take part in the mission. They are Revs. Bernard Pegarski and John Sheridan.

REV. JOHN SHERIDAN, C.S.C. was born in New York City. Completed his early schooling in New York and then went to Notre Dame University, where he was graduated in 1942. Studied theology at Washington, D. C., and was ordained at Notre Dame in 1946. Father Sheridan has been with the Notre Dame Mission Band since his ordination.

REV. BERNARD PEGARSKI, C.S.C. was born in Pottsville, Pa. Worked in hard coal mines from the age 13 years until he entered Notre Dame Seminary at the age of 18.

He graduated from Notre Dame University in 1933, studied theology at Catholic U. in Washington, D. C., and was ordained in 1937.

STILL TIME FOR BARE ROOT PLANTING

There's still time to plant deciduous shrubs, trees and vines bare root fashion before new growth starts in these plants, assures the California Association of Nurserymen.

Make sure of several factors before you begin bare root planting. Prune before you plant and in this pruning make certain you maintain a balance between the size of the roots and the size of the branches and top of the tree.

Provide constant moisture also, for even though the plants are dormant they need moisture constantly. Cover the roots with damp sacks or earth while you are digging the hole.

In making the hole dig it at least one third larger in size than the root system measures after pruning. Loosen the soil to assure good drainage and if soil conditions—such as heaviness—exist, mix in some mulching material that is well decomposed and free of soil insects and fungus infections.

Spread the roots out in the hole before filling in around them with loose, fertile top soil. Flood the hole with water as you fill in with soil so that the soil will pack in solidly without air pockets.

Mt. Helix Council To Present Life Memberships At Grove Meeting

The Mt. Helix Council of the CCPT, comprised of PTA units of La Mesa and Lemon Grove school districts, will hold its next meeting March 14 at 9 a. m., in the Lemon Grove Education Center, 8025 Lincoln Ave. Mrs. Don Irwin will preside.

This promises to be an outstanding meeting, with a highly interesting panel discussion planned on the topic of recreation for children.

An annual highlight of the spring meeting is the presentation of surprise honorary life memberships. This year two such memberships will be given to persons who have contributed much time and effort to furthering the welfare of youth in their community.

The nominating committee will present its slate and the election of officers will take place preceding the short business meeting. There will not be child care provided.

Hostesses for the 9 to 9:30 coffee hour will be members of the Lemon Grove, San Miguel, Monterey Heights, Vista La Mesa, and Golden Avenue PTA's.

GROSSMONT HIGH SCHOOL TRUSTEE ELECTION AHEAD

The terms of Charles Irwin, merchant, La Mesa, and Lester Freeman, city clerk, La Mesa, on the Grossmont Union High School District board of trustees expire June 30. Both Irwin and Freeman have announced they will be candidates for reelection on May 18.

The other members on the Grossmont board whose terms continue are Clarence Foster, Lakeside dairy farmer, Rex Hall, El Cajon merchant, and Palmer Svalstad, Lemon Grove contractor.

Freeman has served as school trustee since 1944 while Irwin's term began in 1947.

School trustees or board members serve in the public interest without compensation to further the educational program provided for the community.

Candidacy or nomination forms which must be filed by April 18 are available at the office of the county superintendent of schools.

Will Build Two Apartment Houses In Vista La Mesa

Two building permits were issued last week, each valued at \$36,462, to Mr. and Mrs. Marvin W. Stewart for two 10-unit apartment buildings in Vista La Mesa.

Plans also were disclosed for addition of 300 more houses in Lomita Village, a subdivision at the extreme southeastern boundary of Lemon Grove.

The new unit is to be developed by Fritz Hawn and Harry Summers. According to Summers, work should start within 90 days. He said the plans are now in FHA office, awaiting appraisals and commitments. Summers said the tract is intended to meet the needs for an economy home, and will be priced from \$10,000 to \$12,000.

The original Lomita Village of more than 1000 homes was developed by Hawn and Neece, Texas builders and developers. Built under the defense housing program, they were allocated as rentals. However, since the acute housing shortage ended, most of these homes have been sold to the families who now occupy them.

The new unit will adjoin the present Lomita Village on the southeast.—D. H.

THOMAS SAYS GROVE FAILED ITS GOAL

Arthur Thomas, chairman of fund raising for the Lemon Grove Branch, American National Red Cross, stated today, "Lemon Grove did not meet its quota last year. I firmly believe with the assistance of the civic minded people who have accepted appointments and the backing of the residents of this area, we cannot help but make our quota of \$2,250."

"The Red Cross did not ask for a special drive for funds to assist in western states flood disaster at Christmas time, which was the greatest disaster that has taken place in that area since the San Francisco fire and earthquake. Therefore, I believe the citizens will want to do their share now."

Four-Year-Old Girl Has First Birthday Party

Four year old Gayle Durham, daughter of Mr. and Mrs. John Durham, 2318 Difoss, had the thrill of her first birthday on February 29.

Being a leap-year baby, her birthdate comes only once each four years, as unfair an arrangement as you've ever seen.

Happy guests, clockwise, are birthdate celebrators Greg Keys, Gail Kemp, Richard Augustine, Gayle Durham, Jennifer James, Ralph Gayle and Joy Kemp.

Spring Valley Woman In Race for Mrs. America, 1956

Mrs. Arthur Borden, just turned 21 and mother of three, of 9221 Carthay Circle, will seek the 1956 Mrs. America title. She was turned down last year "because she wasn't old enough."

She and her husband, a paint company salesman, are parents of Arthur III, 5, Marilyn 3 and Billy 1.

State finals of the annual contest sponsored by the American Gas Association will be held in Los Angeles in April, followed by the national finals in Florida a month later.

Mrs. Borden quit school at 15 to get married, but is now attending classes day and night to earn her high school diploma. She is studying at Grossmont. Helix and Hoover. The youngsters go along in the daytime and her husband baby-sits at night. He plans to finish his business administration studies at State College within the next few years, too.

Mrs. Borden, a singer and dancer, also has competed in the Miss Universe, Toyland Parade, and Poinsettia Queen contests.

Personality, ability, character and attractiveness are stressed in the Mrs. America judging.

Spring Valley Woman Injured in Car Crash

Mrs. Virginia M. Cook, 45, of 8915 Olive Drive, Spring Valley, was severely injured last week when her station wagon went out of control on Skyline Drive, ran off the road, crashed through two redwood fences, narrowly missed Charles W. Carlson, who was working in his yard at 1860 Skyline Dr., crashed through a hedge and hit the home of R. L. Embring, 1860 Skyline Dr.

The highway patrol said the brakes of the car were not applied and they believe Mrs. Cook may have lost consciousness while driving.

Mrs. Cook was taken to Grossmont Hospital, and was reported in fair condition the day following the accident. She has been active in Girl Scouting for several years.—D. H.

Mrs. Borden, a very attractive brunette, should win in any beauty contest, and her other abilities as a homemaker and personality should place her at the top. She gets her exercise in caring for her three bedroom home and three youngsters. Her favorite household task is sewing.—D. H.

Town Hall Meeting Scans Area Youth Problems

The Town Hall meeting of youth problems at the Helix High School Wednesday, February 29, was quite informative, but not too well attended, according to all reports.

Here are reports by several groups, as was discussed:

1. There are no known hangouts in the outlying areas. Too many working parents. Children not supervised after school hours until parents return from work. Often in empty house.

No day care services. No supervised recreation. Helix Theatre now closed to children without parents on Friday nights. No organized recreation in Lemon Grove. Jobs for youth 10 hours per week, but too much red tape getting jobs due to labor laws. Few organizations offer jobs. No vocational guidance service. Nice kids called "squares."

Family service agency is available in La Mesa, but inadequate. Several months waiting list. Understaffed due to lack of funds, which come from Community Chest.

2. In favor of more discipline in the schools. Did not go into where discipline could be achieved, but agreed more discipline is needed. In favor of a financial responsibility law making parents responsible for damage done by children. Mexican border should be closed to minors. Second rate literature should not be available to youth. Enforcement of curfew law at 10 p.m.

3. Does the individual profit by being taken out of schools and brought back to the same home conditions? How to teach moral values in schools without getting into religious difficulties.

School employment without red tape. Some method of protecting children. Some responsibility falls on parents, but how to help the parents who have failed. Not just poor families. Not just working mothers that cause delinquency. Officers try not to book every young offender, because of the record against him.

Cars cannot be searched without search warrants, thus protecting narcotic carriers. When does an adolescent become an adult? They cannot work but they can stay out late. Also drive cars and have spending money. Should he be treated as an adult?

Basically teenagers need more understanding and love. How can we give this to them? Do we need better trained and better paid probation officers? We must wait six months for help from family counseling services. Youth centers are not chaperoned properly. Are parents aware it takes chaperoning? Do newspapers overplay these things?

4. The delinquency problem comes back to the parents. How

to teach these parents. How to get in touch with these parents and see that they back these things. Many, maybe, overemphasize outside activities. Scouts should be encouraged, especially in junior high schools. Better supervision at county parks.

Teenage clubs should have objectives to work for. Let them do the things for themselves. Let them work for it. It is too easy for 16 and 17 year olds to obtain liquor. This should be stopped. We need supervision at our playgrounds. More supervision in homes.

5. More time should be spent talking about the problems. The home should be more responsible, secured and affectionate. There is a general unsettled condition with parents working. Almost always 5% need help. Fifty five to 95% are able to help themselves. The narcotic problem looms larger, together with the alcohol and tobacco problem.

The big problem is how to reach parents and get them to attend these meetings and parent-teacher meetings. A suggestion came through the social action committee of Lemon Grove that a possible solution would be to have an organization possibly called "Delinquent Anonymous," similar to Alcoholics Anonymous. Parents who have overcome such problems can help other parents with present problems. Automobiles in the hands of teenagers, 15 and 16 years of age, should be prohibited unless absolutely necessary.

These reports will be further studied and discussed at a county wide meeting to be held in Balboa Park March 10. Then they will be presented and discussed at a governor's conference April 4 and 5.

CARLENE DAVIS IMPROVING

According to word received last week, eight year old Carlene Davis, daughter of Mr. and Mrs. Carl Davis, 8929 La Cresta Drive, Spring Valley, is improving in Grossmont Hospital, after being hit by a car Saturday, February 25.

A report from the highway patrol states that Carlene and two other girls were playing behind a pepper tree at Austin Road and Highlands Boulevard. Carlene ran into the street directly in front of a car driven by 19 year old Richard Bihlmayer of La Mesa.

The Adams ambulance took Carlene to Grossmont Hospital, where it was found she had several broken bones.

The administration building at the Southern California Exposition grounds at Del Mar has been enlarged to include the entry department. Supervisor of entries, Mrs. Lorene Bohn, is anticipating a record number of exhibits for this year's exposition, June 29 through July 8.

Dear Editor:

Will you through these lines please convey my personal thanks to all the ladies who baked and donated cakes, and to those who helped serve in all capacity at the recent Yorty meeting in the Golden Avenue School.

It was a huge success, with an overflow crowd, despite the rain. If the ladies had not donated coffee, cake, serving and time spent on the arrangement, it could not have been the success it was.

Thanks again.

Sincerely,
Charlotte Phillips,
Treasurer, Homeland Democratic Club

Shearer Sees Danger In Loss of Colorado Water Project

William K. Shearer, Republican candidate for State Assemblyman in the 77th District, told the Fallbrook Lions Club this week that California must proceed full speed ahead on a state water project.

"Our recent loss in Congress of the fight against the Upper Colorado River Storage Project makes state action imperative," Shearer said. "San Diego County is at the tail end of the ditch as far as Colorado River water is concerned," he continued, "and the passage of the Upper Colorado bill places our future supply of water from that source in jeopardy."

Shearer discussed his work in Washington as a member of the staff of Congressman Utt, Republican of the 28th District in California. He mentioned the congressman's work in opposition to federal aid to education, and in favor of a bill to require the federal government to recognize the authority of state water laws.

Shearer arrived in town this week to begin his active campaigning for the assembly seat in the 77th. He took out nomination papers Wednesday morning. The candidate will address the Fallbrook Rotary Club today, and the Fallbrook Republican Women's Club on Friday.

Junior High PTA Plans Set for Swimming Pool

Main topic for discussion at the executive board meeting of the Lemon Grove Junior High Parent Teacher Association, held Tuesday in the school cafeteria, was the proposed participation by the unit in the Swimming Pool Carnival to be held in May.

Mrs. E. F. Brady, president, made an announcement in regard to the state convention to be held in Sacramento in May. The board recommended that the president elect for the coming term be sent to the convention.

The nominating committee, elected in February, was composed of the following members: Mmes. F. Szalay, Robert Alexander, R. E. Davy, Ted Magnusson and Ben Schei, principal. They presented the slate of candidates for the offices for the 1956-57 term. The officers will be elected at the March meeting to be held March 15. Clara's Return, Mary Lou's Baby are Chief Items of Interest at Kiwanians' Meet

At their March meeting, the Lemon Grove Kiwanians departed from custom in two respects. The meeting was held last Monday, two weeks earlier than usual; and it was a luncheon at Michael's instead of an evening meeting in a member's home. Other items of note were the presence of the president, Mrs. J. B. Yeo, her first time out after illness; and the presentation of a "new baby" gift to Mrs. S. C. Brumbaugh Jr. The luncheon was arranged by Mrs. Frank Armstrong and Mrs. Paul Reynolds.

Discussion of the group's participation in the forthcoming Swimming Pool Carnival was the main order of business; Mmes. Max Goodwin, Robert Swenson and S. C. Brumbaugh Jr. emerging as the group's chief representatives for that community affair.

Next month's meeting will be held on Monday, April 16, in the home of Mrs. John Dail.

Officers to Be Elected
This Week for
V.L.M. PTA

Election of officers for the 1956-57 year will take place at the March meeting of the Vista La Mesa Parent-Teacher Association, slated for tonight, March 8, at 7:45 in the school cafeteria.

Mmes. Robert Brown, Ray Bullock, Ivan Arms and Harley Thurlund and Clarence Allen, principal, were elected in February to serve on the nominating committee. They will present the following slate of candidates for the offices for the coming term: President, Mrs. R. T. Bullock; first vice president, Mrs. Robert White; second vice president, Mrs. Ralph Brehl; third vice president, Mrs. W. Burkett; fourth vice president, Mrs. Ivan Arms; treasurer, Mrs. Henry Cowles; recording secretary, Mrs. W. Jones, corresponding secretary, Mrs. A. L. Keebler; historian, Stanley Rogers and auditor, Mrs. Wallace Simms. Nominations may be made from the floor.

Colors will be presented by the Webelos Den of Pack 315, Cub Scouts. Hank Cowles is den dad.

"A Look Into the Classroom," a regular feature of the program, will be brought to the unit by Sy Metzner, recreation and safety chairman. He has chosen as his subject "Citizenship Safety."

A special program of interest will present Ted Bass, a well known speaker from the Los Angeles area. Mr. Bass, who is a field representative of the California Teachers Association, formerly taught school in both the Grossmont and Sweetwater Districts.

Hostesses will be the room mothers and parents of Mrs. Dell's and Mrs. Burk's first grade classes.

Easter Seals to Be
Distributed
This Week

The 1956 Easter Seal sale, the 23rd such appeal for funds to finance services for crippled children, will get under way in this community, throughout the county and across the nation Saturday, continuing through April 10.

The Lemon Grove Junior Woman's Club is one of 23 clubs which have contributed more than 5000 work hours on the mailing project.

The seals, mailed in sheets of 100, will ask the people who receive them to mail their contributions to the San Diego Society for Crippled Children, local sponsor of the drive.

Two thirds of the funds which are raised locally will be used for the Children's Hospital outpatient clinic and to furnish general hospital care for San Diego County handicapped children. Other services provided by seal funds include a summer camping program for crippled children, weekly speech therapy and parental counseling of hospitalized children and outpatients.

The other third will be used to provide state and nationwide services including vital research into the causes and prevention of crippling.

Grove Democrats
Appoint Mary
Landesco to
Endorsing Convention

Sheridan Hegland, assemblyman from the 77th district, spoke Friday night at a meeting of the Lemon Grove Democratic Club.

At the meeting Mrs. John Landesco was appointed chairman of a delegation to the endorsing convention for the 28th Congressional and the 77th Assembly district at San Clemente on March 18. Any local Democrats interested in attending this convention are welcome and transportation may be arranged by calling Mrs. Ted Nachisson at JU 2-8686.

The meeting was held at the Nachissons' home. The next meeting of the Lemon Grove Democratic Club will be held on Friday, April 6 at the home of Mr. and Mrs. Sumner Alpert.

Square Dance
News

CALICO TWIRLERS

The Calico Twirlers met at the Spring Valley Community Center hall March 1 for their regular dance. Club caller was Tom Montague, with guest callers Bill Keller and Clarence Montgomery.

Hosts and hostesses were Bob and Jean Nelson, Roland and Lena Shannon and Bobby Montague.

The guest list included Anton and Marie Botschiller, Rudy and Marie Funke, the Hallers, Clarence and Pearl Montgomery.

Everyone joined in the singing of Happy Birthday to Bill Keller. Instead of the regular third Thursday night dance this month, the club will visit the Jewel Squares.

Levis and Laces Mark
Second Anniversary
With Party

That loud noise that you may have heard on Saturday night around the Lemon Grove Junior High School Cafeteria was just the Levis and Laces Square Dance Club celebrating their second anniversary party and dance. At least 35 squares of dancers, and a number of spectators, participated in an event that leads us to believe that square dancing may be here to stay.

A new beginner class in square dancing, sponsored by Levis and Laces, with Clarence Montgomery as instructor, will start on Monday night, April 2, at the Woman's Clubhouse. For further details call HI 4-7832.

TAX EXEMPT GROUPS
MUST FILE LOYALTY
DECLARATIONS

The State Franchise Tax Board issued a reminder this week to any non-profit organization wishing to remain exempt from payment of California corporation franchise taxes to be certain to file a loyalty declaration on Form 99 prior to March 15, 1956. Failure to file the statement amounts to automatic waiver of the right to exemption according to the constitutional amendment approved by the citizens at the 1952 general election.

Organizations that do not receive the necessary forms through the mails, are advised to obtain them at one of the branch offices of the Franchise Tax Board, or at 1020 N Street, Sacramento.

Local Mortuary
Expands Parking
Facilities

A new parking lot has been opened by Conrad Mortuary, it was announced this week by the firm's owner, Kenneth Conrad.

The lot is on West Street, adjacent the mortuary. The mortuary is at 7387 Broadway.

Funerals are attracting larger groups of bereaved persons than they did a few years back, according to Conrad. "We acquired the property and made a parking lot of it to accommodate the persons involved in this trend," Conrad said.

Dr. Lueck to Give
Dental Health Talk
To Local Lions

Dr. Bernard Lueck, San Diego dentist, will address the Lemon Grove Lions Club at Michael's Restaurant tonight, March 8 at 7:30 as a feature of National Children's Dental Health Week.

The week, which is sponsored by the American Dental Association, is aimed at giving parents and children pointers on how to prevent tooth decay through sound habits in dental hygiene. Tooth decay is one of the most prevalent diseases of our time, the ADA points out, but can be prevented through proper diet and thorough tooth brushing after all meals and snacks.

District Attorney to
Tell Republicans
About Bonelli Case

The much discussed San Diego County 1954 Grand Jury report with comments relative to county welfare and the Bonelli case will be the theme of District Attorney Don Keller when he addresses the March dinner meeting of the 80th District unit of the California Republican Assembly. The meeting is to be held at El Naderia Club, 995 Chino Avenue, El Cajon, on Wednesday evening, March 14.

This promises to be one of the best meetings of the year and is open to anyone interested, according to Mrs. Kay Erwin, program chairman.

The 80th District Assembly unit, one of five in San Diego County, has gained much interest in the more than one year of operation. The group has held dinner meetings with such personalities as Senator William Knowland, State Controller Bob Kirkwood and Assemblyman Joe Shell of Los Angeles.

The 80th Unit plans to hold a series of dinner meetings in various cities and communities throughout the 80th Assembly District during the coming months, each with outstanding speakers.

Mrs. Erwin, Mrs. Jack Schrade and Robin Goodenough, president, are in charge of dinner reservations for the Keller dinner meeting in El Cajon.
